

INSTRUCTIONS:

Within **20th September**, the candidates must submit the following documentation:

A) **Application form**, filled in and signed by the candidate in three copies (one copy will be returned to the candidate with confirmation of reception) using the form available on sites www.unina.it and www.designofsteel.com. In the application form, the candidate's complete details, including his/her address, the degree held with its attainment date, final score, and name of the university where it was obtained, must be provided.

B) **Transcript of records or autocertification** relative to the degree held, indicating the final score and the exams passed with their score.

C) **Transcript of records or autocertification (if available)** relative to other Master's degrees, Ph.D. degrees, post lauream certificates, in the topics related to the Master; publications, job and/or research experiences in the sector of steel constructions.

The candidates will have to send the documentation at the following address:

At Attention of Sig.ra Anna Molinari

Object: "Documentation of Master Design of steel structures"
